

PROFESSIONAL FOOTBALL DEVELOPMENT PROGRAM IN SPAIN

ACADEMY BROCHURE | 2020

www.playperfectfootball.com

A group of football players in yellow jerseys and dark shorts are running on a green artificial turf field. In the center, a man with a beard and dark hair is smiling and giving a thumbs-up. Other players are visible around him, some looking forward and others looking towards the camera. The background shows a chain-link fence and tall green trees under a clear sky. The text "A STEP TOWARDS PLAYING PROFESSIONAL FOOTBALL" is overlaid in large white capital letters on a semi-transparent dark blue rectangular background.

A STEP TOWARDS PLAYING PROFESSIONAL FOOTBALL

PERFECT FOOTBALL

Perfect Football is a professional football methodology developed in Spain which trains players with the most modern techniques for the game. We have highly qualified UEFA coaches & technical staff.

50+ players from

10+ countries

Our programs are designed to help integrate non-European players into European football.

WHY CATALONIA IN SPAIN?

Spain has the most developed footballing system in the world and is home to the biggest leagues & clubs making it a football powerhouse.

Spain's Catalonia region has come up to be the state with the biggest league football system in the country.

Ideal mild climate for training

Spanish clubs dominate European football

Catalonian coaches have achieved global success

More than 1000+ Senior Category/U19 teams

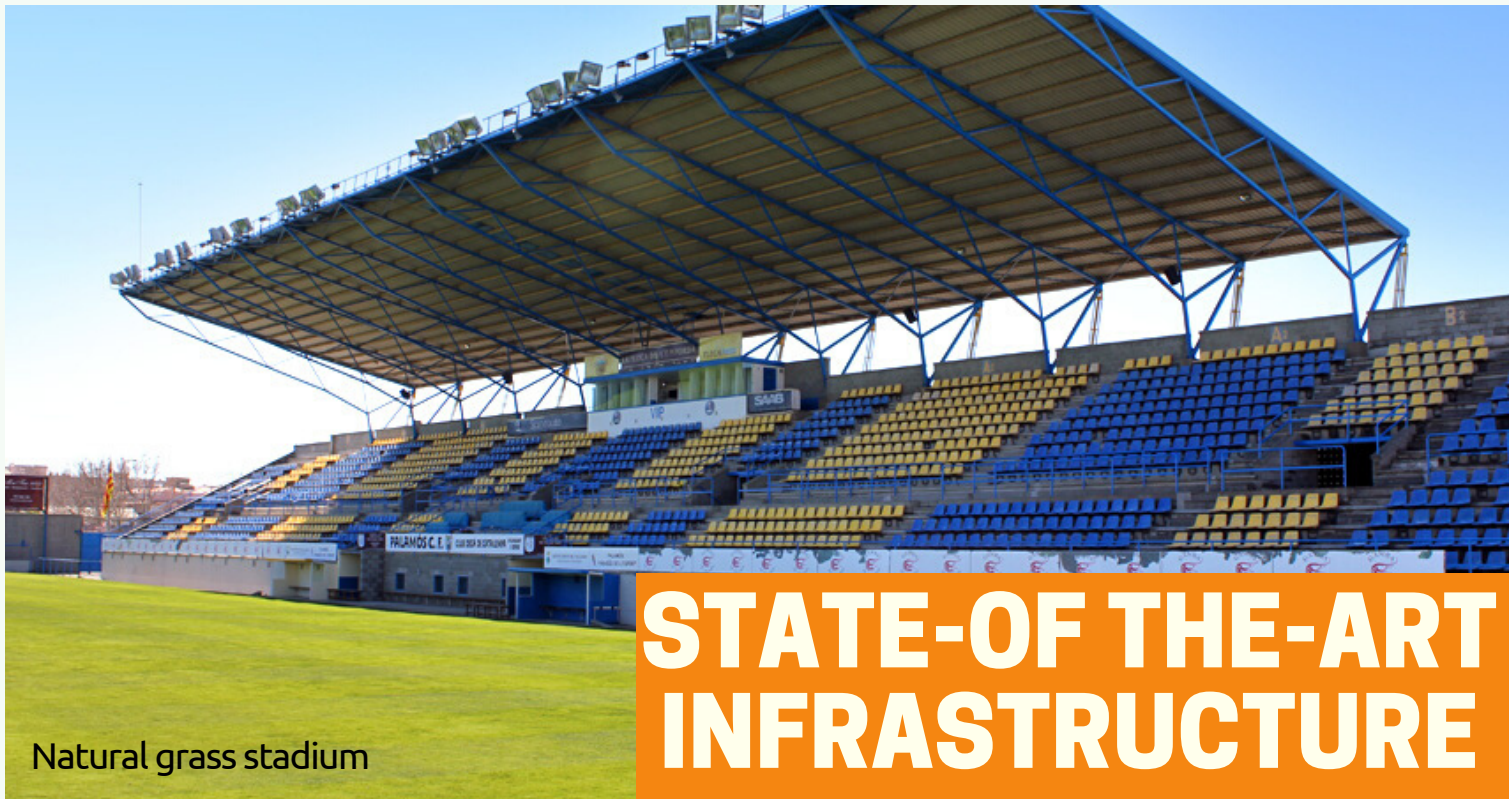

Overall 5000+ teams in the area

PALAMÓS C.F.

Palamós CF is the oldest club in Catalonia & third oldest in Spain (founded in 1898), and is a Tercera Nacional Division club based in the town of Palamos, Girona Province in Spain. Situated in the famous Costa Brava region of Catalonia, Palamos offers the perfect eco system for young footballers to come & nurture themselves.

Natural grass stadium

STATE-OF THE-ART INFRASTRUCTURE

OUR ACADEMY APPROACH

A good football player is one that is technically skilled, physically fit, mentally strong, and game-intelligent. Our unique methodology, incorporating global techniques, covers all aspects of the game:

PHYSICAL

Development of speed, strength, flexibility and endurance

TECHNIQUE

Controlling the ball through pass, control, dribbling, shooting, driving and head control

TACTICAL

Understanding and executing the game both through defence and attack positions

VALUES

Building values such as hardwork, dedication and consistency, along with communicative and social abilities

- Understanding the team as a 'motor', we recognize that the action of every player is an integral part of the team's perfect functioning.
- Thus, our methodology personalises attention on players and their differing individual skills and physical characteristics.

TECHNICAL TEAM

EDUCATION

At Perfect Football, education, apart from Football is taken seriously. Our residential program offers the right kind of balance between on-field training and off-field activities for young players, with a focus on helping them become better footballers and well-rounded individuals.

When not playing, academy players can be enrolled into an age-appropriate (School and University) education setup to get an ongoing education. This will ensure that they pick up important skills across all facets of life, even as they continue to focus on football.
